CLUB NEWS

Last months meeting was cancelled because most members could not attend. Fred Lewis and myself were talking about the future of the club. Our membership has dwindled down to about only four or five active members and it does not look like will be able to enroll enough new members to make it worth while to continue. At our next meeting (Feb.), we want every one to make a special effort to attend so we can decide to desolve the club or not.

I received a letter from Gil Parrish of Beggs, Ok. He has just acquired a T/S1000 and a T/T 2068. He would like to get any information on any soft - ware available. Here is his address if youu want to drop him a line.

This is my last issue of the club news letter. I have no longer the time to devote to the letter so at our next meeting I will bring in all the old newsletters and mailing lists. I have enjoyed making up the letter and hope someone else will continue writing it.
